IMPORTANT VEHICLE HEALTH CHECK

The insurance operates on the basis that You will have had Your vehicle properly serviced and maintained in accordance with the manufacturer's specifications, especially when preparing it for a journey.

Will a routine service fall due before the end of Your intended journey? Or, Are there any parts on Your vehicle that You are aware may need replacing before the end of Your journey?

If so, You should have Your vehicle regularly serviced to allow sufficient time to carry out any repairs necessary.

Keep proof of regular servicing in Your vehicle, with Your handbook or travel documents.

If You call Us for assistance, and Our mechanic reports to Us that it is evident You have not maintained Your vehicle in a state fit to complete Your intended journey, You will have to pay all the costs arising from Our intervention.
