Acorn Insurance Group, Motorcade Insurance, Pay How You Drive, TaxiMaster Insurance, Ladies First, Lighthouse Insurance Services and Granite Underwriting are trading names of Acorn Insurance and Financial Services Ltd. Ferrari Insurance Services Ltd and David Day are appointed representatives. We are permitted to arrange, advise on and deal as an agent of insurers and clients and assist in claims handling with respect to non-investment insurance policies. Our firm reference number is 311873, which may be verified on the FCA's Register by visiting the FCA's website at <http://www.fca.org.uk> or by contacting the FCA on 0800 1116768. Although we are permitted to provide advice, all our sales are conducted on a non-advised basis. This means that you will not receive any advice or recommendations from us. We will provide details about the products or policies from which you can make a decision about their suitability for you.

Product Providers

We only select insurance products from a limited number of insurers; you may ask us for a list of the insurers we deal with for your requested product. For policies purchased online either via our website or on an aggregator site (commonly referred to as price comparison sites), we will only select an insurance product from a single insurer. For optional add on policies, for example, Breakdown cover, Legal Expenses or Key Care, we will only select insurance products for a single insurer per product. We will not in any circumstances act as an insurer nor guarantee or warrant the solvency of any insurer.

Compensation arrangements

We are covered by the Financial Services Compensation Scheme (FSCS). You may be entitled to compensation from the scheme if we cannot meet our obligations. This depends on the type of business and the circumstances of the claim. Insurance advising and arranging is covered for 90% of the claim, without any upper limit. For compulsory classes of insurance, insurance advising and arranging is covered for 100% of the claim, also without any upper limit. Further information about compensation scheme arrangements is available from the FSCS on 0800 678 1100 or 020 7741 4100 or by visiting <http://www.fscs.org.uk>

Your duty of disclosure

Consumers:

You must take reasonable care not to make a misrepresentation to the insurer. This means that all the answers you give and statements you make as part of your insurance application, including at renewal and when an amendment to your policy is required, should be honest and accurate. If you deliberately or carelessly misinform the insurers, this could mean that part of or all of a claim may not be paid. We use your information to carry out checks on databases which help detect and prevent fraud and financial crime. If false or inaccurate information is provided and fraud is identified, details will be passed to fraud prevention agencies to prevent fraud and money laundering. Further details explaining how your details may be used or how the information held by fraud prevention agencies may be used can be obtained from us at your request.

Commercial customers:

If the insurance is arranged wholly or mainly for purposes related to your trade, business or profession you have a duty of fair presentation which means you must disclose information and take reasonable searches which is important to the assessment of your insurance risk. Otherwise incorrect information may invalidate your insurance. This duty applies throughout the life of your policy, and when you renew your insurance. Material facts are any facts which may influence the insurer's decision to accept the policy and/or what terms are applied. Failure to disclose a material fact may invalidate your insurance and could mean that part or all of a claim may not be paid. We use your information to

carry out checks on databases which help detect and prevent fraud and financial crime. If false or inaccurate information is provided and fraud is identified, details will be passed to fraud prevention agencies to prevent fraud and money laundering. Further details explaining how your details may be used or how the information held by fraud prevention agencies may be used can be obtained from us at your request.

How to cancel

If you wish to cancel your policy, please contact our customer service department. If you are paying on direct debit please speak to customer services before cancelling your direct debit.

Your Cancellation Rights

Within 14 days

If you are a consumer, and your policy is for a duration of 31 days or more, you have the right to cancel your policy within the "cooling off period" which is 14 days from when you purchase your policy, or when you receive your policy documents, whichever is the later. For a renewed policy, this is within 14 days of your renewal date. We consider Taxis, Commercial Vehicles and Motor Trade policies to be Commercial business and as a result no statutory right to cancel (cooling off period) applies.

Provided your policy is for a duration of 31 days or more and you have not incurred any claims during that period the insurer will pay a pro-rata refund of premium. In addition, we will keep an amount which reflects the administrative costs of arranging and cancelling the policy. Details of these amounts are given in our Fees and Charges below. Please refer to your policy summary or your policy document for further details.

If the refund provided by the insurer is insufficient to cover our charges you will be required to pay the balance to us.

After 14 days

If you wish to cancel outside of the statutory cancellation period of 14 days (where this applies) provided you have not incurred any claims during the period you may receive a pro rata refund of premium. Please refer to your policy summary or your policy document for further details as some insurers may use a short-period cancellation scale for calculating refunds. In addition, we will also keep an amount that reflects the administrative costs of arranging and cancelling the policy (see our scale of charges below). If the refund provided by the insurer is insufficient to cover our charges you will be required to pay the balance to us.

Where applicable, all refunds will be processed to the same debit/credit card that was used to make payment on the policy. If you were paying for your premium on direct debit, any refund will be offset against any outstanding direct debit payments and any shortfall will become payable by you. If you are paying on direct debit, your insurer may pay your claim settlement to the finance house to discharge any sums owed to them.

If you have had any fault or open claims on our insurance policy there is no refund of premium so this means that you will be liable for the full premium, even if you decide to cancel the policy and/or your policy is cancelled for non-payment.

If you take out a new policy with us and make payment towards this new policy but have a previous policy with us that has an outstanding balance we reserve the right to transfer any money paid on the new policy to cover the debt outstanding on your previous policy. If you are a commercial customer, any rights to cancellation will be detailed in your policy.

Short Term Policy Cancellations

In the event of cancellation of a policy which is issued for a period **of less than 12 months** there is no return premium from the insurer when outside the Cooling off period (if applicable), with the exception of a learner driver policy,

subject to the insurer terms and conditions. Please refer to your policy documents for full details. This does not affect your statutory rights.
