IMPORTANT VEHICLE HEALTH CHECK

The insurance operates on the basis that You will have had Your vehicle properly serviced and maintained in accordance with the manufacturer's specifications, especially when preparing it for a Trip abroad.

**Will a routine service fall due before the end of Your intended Trip? Or,
Are there any parts on Your vehicle that You are aware may need replacing before the end of Your Trip?**

If so, You should have Your vehicle serviced at least 10 days before Your Trip to allow sufficient time to carry out any repairs necessary. Don't forget that repairs abroad will disrupt Your Trip, may not be practicable within Your travel timescale, and could cost You significantly more than in the UK.

The benefit under Part B – **Cover Prior to Departure [Section 5]** – will not apply if You leave any such work until the final 10 days.

Keep proof of regular servicing in Your vehicle, with Your handbook or travel documents.

If You call Us for assistance, and Our mechanic reports to Us that it is evident You have not maintained Your vehicle in a state fit to complete Your intended Trip, You will have to pay all the costs arising from Our intervention.
