This Policy should be kept in a safe place. **You** may need to refer to it if **You** have to make a claim. It is recommended that **You** retain details of **Your** Employers' Liability Policy for at least 40 years.

Wherever words appear in **Bold** in this Policy they will have the meaning shown in the General Definitions on pages 6-7 or as otherwise stated in any particular section or the **Schedule**.

## CUSTOMER SERVICE INFORMATION

**IMPORTANT INFORMATION ABOUT HOW WE WILL DEAL WITH CLAIMS UNDER THIS POLICY AND THE INFORMATION YOU HAVE GIVEN US. PLEASE READ THIS CAREFULLY.**

### Information You have given us

In deciding to accept this Policy and in setting the terms and premium, **We** have relied on the information **You** have given **Us**. **You** must take care when answering any questions **We** ask by ensuring that all information provided is accurate and complete.

If **We** establish that **You** deliberately or recklessly provided **Us** with false or misleading information **We** will treat **Your** Policy as if it never existed and decline all claims. **We** may not return premium already paid by **You** in this situation.

If **We** establish that **You** provided us with false, incomplete or misleading information, it can adversely affect **Your** Policy and any claim.

For example:

- where **We** could have accepted the risk and offered **You** a Policy but **We** would have charged a higher premium, **We** may only pay a percentage of any claim that **You** make under the Policy. **We** would do this by considering the premium **We** actually charged as a percentage of the higher premium **We** would have charged and then paying **You** the same percentage of any claim.

So, as an example: if the premium **We** actually charged was £250 and the higher premium **We** would have charged was £1,000, then the premium **We** actually charged represents 25% of the higher premium **We** would have charged and **We** shall only pay 25% of any claim;

- **We** may treat this Policy as if it had never existed and refuse to pay all claims and return the premium, subject to a deduction for any commission paid to **Your** insurance broker. **We** will only do this if the false, incomplete or misleading information means that **We** provided **You** with insurance cover when **We** would not otherwise have offered it at all had the risk been fairly presented;
- if **We** would have written the risk on different terms had it been fairly presented, **We** may amend the Policy to include these terms. **We** may apply these amended terms as if they were already in place before a claim is made;
- **We** may cancel **Your** Policy in accordance with its cancellation provisions.

**We** will write to **You** if **We**:

- intend to treat **Your** Policy as if it never existed; or
- amend the terms of **Your** Policy; or
- reduce **Your** claim in accordance with the above.

If **You** become aware that information **You** have given **Us** is inaccurate or incomplete, **You** must inform **Us** without delay.

  - non-cooperation or failure to supply any information or documentation **We** request; or

- (10). A person who is not a party to this contract has no right under the Contract (Rights of Third Parties) Act 1999 (as may be amended or replaced from time to time) to enforce any term of this Policy but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

**Several Liability**
