WELCOME

THANK YOU FOR CHOOSING HAVEN INSURANCE.

This policy booklet explains everything You will need to know about Your Home Insurance cover. This policy and any policy Schedule, statement of fact and Endorsements should be read as if they are one document.

Making sure You have the right cover

Getting Your re-building sum insured correct.

Make sure You insure Your Buildings for the re-build cost, not the market value. Your sum insured should be the cost of rebuilding Your Home from scratch. It is usually, but not always, lower than the market value of Your Home. Remember, the cost of rebuilding Your Home may increase over the years. If You are not sure You have the correct rebuild cost there are a number of ways in which You can estimate this. If You have recently purchased Your Home, an up to date rebuild cost will be on Your deeds or survey. You can also use a rebuild calculator online by visiting the ABI website (Association of British Insurers). A professional chartered surveyor can also help You.

If You add an extension to Your Home then You will need to re-evaluate Your re-build cost and let Us or Your Broker know.

Remember to review Your re-build cost at each renewal.

Getting Your Household Contents sum insured correct.

The amount You choose for Your Household Contents sum insured should be the total value to replace all of the possessions in Your Home as new.

Household Contents cover is not just to protect against burglary or an accidental loss or damage, it also covers You for more unlikely events, such as fire, resulting in the need to replace the entire Household Contents of Your Home.

Remember to include the Household Contents of every room in Your Home when calculating Your sum insured such as Your living room, dining room, kitchen, bedrooms, bathrooms and gardens.

If You keep jewellery in a safe, remember to advise Us of the cash/jewellery rating of Your safe or Your items may not be covered in the event of a claim.

Make sure You state the correct sum insured for Your Household Contents. If You under-insure Your Household Contents, this will make a big difference to any claims settlement in the event of a loss. Remember to insure Your Household Contents for the full replacement cost.

Remember to review Your Household Contents sum insured each time You take out a new policy or renew Your existing one.

OUR PART OF THE CONTRACT:

Under this contract We will provide the cover shown in the policy wording, for the sections shown in Your Schedule for the Period of Insurance.
