This section does not apply in respect of a Courtesy Car.

It is a condition of this policy that You have the Telematics Tracking Device installed in Your Car and that it remains in use at all times. The Telematics Tracking Device is owned by Us and is licensed to You for the purposes of this telematics insurance policy and for the theft tracking service. The Telematics Provider will provide installation guidance and assistance, maintain the device and monitor it for faults.

The policy will be cancelled if the Telematics Tracking Device is not installed within the given timeframe as stated in Your Schedule.

INSTALLATION

It is Your responsibility to ensure that any other party who has an interest in the ownership of Your Car (such as Your partner or a hire purchase company) has agreed that the Telematics Tracking Device can be installed in Your Car.

TELEMATICS TRACKING DEVICE

The collection and transmission of data by the Telematics Tracking Device may occasionally be impaired or interrupted by operational and / or atmospheric conditions, power failures, or other causes, conditions or events beyond Our reasonable control or the capabilities of the Telematics Tracking Device. This does not necessarily mean the Telematics Tracking Device is defective.

If the Telematics Tracking Device is suspected by Us to be defective, We will contact You and make all reasonable endeavours to repair or (at Our option) replace the Telematics Tracking Device free of charge. If You suspect the Telematics Tracking Device to be defective for any reason You must notify Us as soon as possible to enable an investigation and, if necessary, a repair or (upon Our confirmation) replacement of the Telematics Tracking Device in Your Car. This does not apply to any item which is part of Your Car and which is used to enable the operation of the Telematics Tracking Device and / or in conjunction with it (e.g. vehicle battery) as such items are Your responsibility to maintain in good working order.

We reserve the right to replace the Telematics Tracking Device at Our option and expense at any time with any other Telematics Tracking Device providing You with at least the equivalent functionality. This will ensure the Telematics Tracking Device is updated if there are technological changes or improvements.

We will only exercise this right:

1. When replacing a defective Telematics Tracking Device; or
2. When installing a Telematics Tracking Device in Your new car (following a change of vehicle on Your policy).

PREMIUM ADJUSTMENTS AND SAFER DRIVING

This policy is not designed to cover drivers who predominantly drive between the hours of 23:00 and 05:00. This policy will cover You to drive between these hours, however if Your total driving time / mileage between the hours of 23:00 and 05:00 exceeds the percentage (%) amount, as stated on the Schedule, of Your total driving time / mileage We reserve the right to cancel Your policy. Section Q - Use of the Telematics tracking device data

Your data will be processed in accordance with Data Protection Legislation. It is very important that You read this section so that You understand how the information collected by the Telematics Tracking Device will be used.

For the purpose of providing You with the policy, the Data Controllers for personal data recorded by the Telematics Tracking Device are Us and Your Broker. The Telematics Provider operates as both a Data Processor and a Data Controller of your personal data.

This means the Telematics Provider uses Your personal data, as instructed by Us and Your Broker, to provide you with the agreed services. The Telematics Provider may also use certain Telematics Data, collected by them, to improve their product and services. This will be carried out in an aggregated form, using anonymisation or pseudonymisation techniques.

By proceeding with the application for insurance, You understand and agree to the use of the Telematics Tracking Device data. You must show this notice to any named driver on Your insurance policy and any other person who drives Your Car so they are aware that a Telematics Tracking Device has been installed and that their journey will be monitored and data collected.

If You sell Your Car You must ensure that the new owner of the vehicle is aware that it has a Telematics Tracking Device fitted and that the vehicle movements will be tracked.

WHAT DATA IS CAPTURED BY THE TELEMATICS TRACKING DEVICE?

The Telematics Tracking Device in Your Car records speed, acceleration, braking, cornering and mileage at time of usage. It also collects data relating to the type of roads You use and Your Car's GPS location. This data is collected by the Telematics Provider via a mobile data link. If You have any questions about the data the Telematics Provider collect as part of providing this service, please see Our Privacy Statement for further details www.haven.gi/privacystatement. Further details are also available in the Privacy Notices of Your Broker and the Telematics Provider.

Your Broker manages this data on Our behalf as described below.

HOW WILL THE TELEMATICS TRACKING DEVICE DATA BE USED?

This data will be used to build up a profile of how, where and when Your Car is driven. Your Broker will use the data to identify extreme driving events which may result in an additional premium or the cancellation of Your policy. If Your policy is cancelled due to extreme driving this information will be shared with other insurers and may lead other providers refusing Your application for motor insurance.

Your Broker will monitor the data to assess when and how far You drive between 23:00 and 05:00. If this exceeds the amount stated on the Schedule of Your total driving time/mileage We reserve the right to cancel Your policy.

Your Broker will also use the data to calculate Your total Mileage. Should You exceed the amount agreed prior to purchasing the policy, We reserve the right to cancel the policy or charge an additional premium.

Your Broker monitors Your data to help them identify if You have an accident. If Your Broker is alerted to such an incident they will contact You to check You are okay and take steps to start the claims process by sharing Your data with Our Appointed Claims Handler who will use Your data as part of the claims process. We may also share GPS location data with the Police to help recover Your Car if it is stolen.

We will not use Your driving data as a 'speed camera' but We will use the data to help Us identify if another driver is making a false claim against You or if You are making a false claim.

HOW IS YOUR DATA PROTECTED?

We, Your Broker, Our Appointed Claims Handler and the Telematics Provider will not release Your data to the Police or to any civil authorities without your consent, unless fraudulent activity is suspected or if required to do so by law or a court order. Please refer to 'Sharing Your Personal Data' on Page 45 which provides further information on how We will use Your Personal Information or read Our Privacy Statement on www.haven.gi/privacystatement.
